

Showa - Primer Series

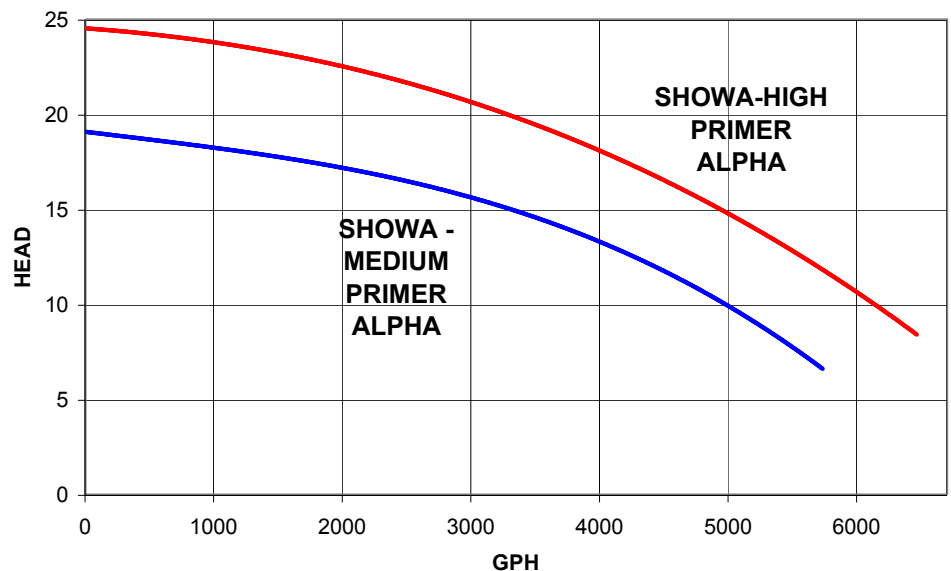

The people at Sequence® are on a never-ending quest for peak-efficiencies and premium-quality. Today, their latest efforts are captured in Sequel™.

Sequel™ is for those who understand what words like “premium-quality,” “peak-performance & efficiency” and “extensive-reliability” are supposed to mean. Sequel™ has been custom crafted for the artistic as well as the technically inclined. It is a premium product suited for the most exclusive of water-features. Sequel guarantees quality, performance, efficiency and reliability. Did we miss anything?
